**SIGNATURE23 SKINCARE SPONSORS THE FIESTA ON SIESTA KEY  
INTERCOLLEGIATE BEACH VOLLEYBALL TOURNAMENT**

LOS ANGELES, Calif. (April 17, 2009) – AVP beach volleyball player and professional makeup artist, Suzanne Stonebarger, today announced her support for the Fiesta on Siesta Key beach volleyball tournament taking place in Siesta Key, Fla., on April 18, 2009. All players will be receiving product from Stonebarger’s scientifically-balanced, plant-derived skincare line, Signature23. ([www.signature23.com](http://www.signature23.com))

“It’s great to see beach volleyball making in-roads with the college athletes,” said Stonebarger, founder and CEO, Signature23 Skincare. “Being in the sun all day is hard on their skin. It’s important that they use high quality, moisture-friendly products to protect themselves from the drying effects of the sun and sand.”

Consisting of seven products, Signature23 skincare ingredients are chosen for their ability to enhance the cellular metabolism of the skin and improve the lipid-water balance. The line does not include the use of fragrance, parabens, dyes, or sodium lauryl sulphates.

Fiesta on Siesta Key showcases the second-annual *Southeastern Conference Coaches Beach Volleyball Championships* and also will feature the *Collegiate Beach Volleyball Challenge*. Approximately 95 teams from 23 schools will be participating.

Stonebarger has played professional beach volleyball against names such as Misty May-Treanor and Kerri Walsh and ranks in the top ten tournaments played among domestic partnerships. While in college she was a three-time all-conference selection and a member of the U.S. National Training Team.
